

Dear Parents,

Having access to a wide range of books is something we are proud of at AIS Vienna. One of the ways you can best support your child's learning is to actively encourage them to read this summer. When students read for at least 20 - 30 minutes a day, every day, reading becomes a part of their normal routines and habits. Please do not worry about WHAT they are reading! Graphic novels will help make your child a better reader just as more traditional books will. The key is to help them develop a love of reading.

Please let me know if you have any questions and have a great summer! Summer check out for returning students is June 6-12.
