

AIS Teams & Schedules Navigation

There is a wealth of information in the “Athletics” section of the school website. The “Teams and Schedules” page is especially useful for parents and student athletes before and during an athletic season.

Please follow the short steps below to make maximum use out of this section.

1. Tryout and Practice Schedules are located here before the season.
2. Each team has their own page. Select the team you are interested in to open their page.
