Commitment To Data Protection

American International School Vienna, Salmannsdorfer Strasse 47, 1190 Vienna, Austria (hereinafter "AIS Vienna" or "we") processes data on its prospective, current and former students and their parents or legal representatives, as part of its everyday operations of providing educational services.

AIS Vienna handles your personal data according to the General Data Protection Regulation no. 2016/679 in the European Union (GDPR) and the Austrian Data Protection Regulation (DSG). AIS Vienna acts as the controller with regard to your personal data and the personal data of students, meaning AIS Vienna establishes the purpose and means of processing personal data.

This notice is to help you understand how and why AIS Vienna collects your personal information and what we do with your information. It also explains the decisions that you can make about your own information. If you have any questions about this notice please contact privacy@ais.at.

AIS Vienna reserves the right to make changes to this Notice from time to time. AIS Vienna will always inform you of such changes in advance.

AIS is committed to processing data carefully and keeping your personal data secure.

Purpose Of Processing

AIS Vienna processes personal data that pertain to you or to the students for the following purposes:

- Provision of educational services: application and enrollment process, administration of classes and timetables, teaching activities, administration of internal and public examinations, assistance regarding the application process to various universities, issuance of academic records.
- Provision of educational ancillary services: career and personal counseling, library services, athletic and extracurricular activities, school trips, managing the school's publications, setting up the virtual learning environment and granting access to AIS Vienna's intranet and internet network as well as monitoring the use of AIS Vienna's network.
- Ensuring campus security: monitoring access on campus, performance of video surveillance.
- Provision of the medical care and counseling that students may need.
- School administration: handling student records and other academic documentation, administration of fees and accounts, internal audits and controls, reporting and statistics creation, implementing school policies, ensuring collaboration with other schools, archiving, assessing the quality of our services, facilitating research activities.
- School related communications: conveying various messages related to the students and AIS Vienna's activities by any communication means.
- Organizing fundraising activities and other school events: performances, shows, tournaments, fairs, etc., including marketing communications related to the activities organized by AIS Vienna.
- Promotion of the school: publication of pictures and video insofar as the use is limited to educational and extracurricular activities and promotion of the school via publications, the yearbook, the school website, social media, and other marketing activities. (Images will be removed at first request of the student/parent/guardian.)
- Dispute resolution and litigations

Your Rights Related to the Processing of Personal Data by AIS Vienna

The GDP regulation provides certain rights related to the processing of personal data, that all AIS Vienna community members are provided with. In this respect, please be informed that students that are 14 years or above could exercise the rights listed in this section individually.

AIS Vienna respects all the rights mentioned under the GDPR and is committed to furnishing the appropriate means by which you can exercise these rights, according to the details mentioned below:

Right to Access Information

A data subject has the right of access to personal data which has been collected concerning him/her/them, and to exercise that right easily and at reasonable intervals, in order to be aware of the lawfulness of the processing. AIS Vienna shall provide a copy of the personal data undergoing processing. Where personal data are transferred to a third country or to an international organization, the data subject shall have the right to be informed. In the situations where you may need to exercise the right of access, please consider contacting AIS Vienna and requesting confirmation by e-mail at privacy@ais.at. Please consider that there might be specific situations that are exempted from the right of access, such as information that identifies other individuals or which is subject to confidentiality obligations.

Right to Object

A community member has the right to object to the processing of your Personal Data by AIS Vienna, on grounds relating to your particular situation. The right to object applies to the situations where AIS Vienna relies on the legitimate interest pursued by the School (e.g. using your email address for conveying fundraising related messages).

Right to Rectification

The right to obtain from AIS Vienna without undue delay the rectification of inaccurate personal data concerning him or her. Taking into account the purposes of the processing, the data subject shall have the right to have incomplete personal data completed, including by means of providing a supplementary statement.

Right to Erasure

The right to erasure means that in the situations expressly regulated by law, you may request erasure of your personal data. Please take into account that the cases where the law provides for the possibility of erasure of personal data are situations where the processing is unlawful, or where the processing is based on your consent and you have subsequently withdrawn such consent.

Right to the Restriction of the Processing

The right to restriction of processing, signifying your right to obtain restriction of processing your Personal Data from AIS Vienna's part. This right can be exercised only in specific situations laid down by the GDPR such as when you challenge the accuracy of your Personal Data. During the period necessary for us to rectify your data, you may ask us to restrict the processing of your Personal Data.

Right to Data Portability

The right to data portability implying your right to receive the personal data in a structured, commonly used and machine-readable format and further to transmit such data to another controller. This right to data portability shall be applicable only to the personal data you have provided to us and where the processing is carried out by automated means based on your consent or for the performance of the contract you have concluded with AIS Vienna.

Origin of your Families Personal Data

We may collect your personal data in a variety of ways:

- Personal data relating to you or your children can be obtained directly from you or your children, for example via completing the Application and Health and Consent forms, via information provided through the [AIS Vienna Parent Portal](#), via meetings with teachers and staff, etc.
- Personal data relating to you or your children can also be obtained via other information channels, such as previous schools, health professionals, social media channels, etc.
- Personal data relating to you or your children also obtained by actions of AIS Vienna itself or its data processors, e.g. through evaluations, camera surveillance, access control measures, etc.

Complaints

The initial point of contact, in regards to the processing of personal data by AIS Vienna and its subcontractors and the exercising of the rights described above, is the data protection team. AIS Vienna shall respond to such requests and may or may not act upon them, in principle within a period of one month, all in accordance with applicable data protection legislation. In addition, you also have the right to contact or file a complaint with the Austrian data protection authority:
