

Please open the website <https://mocca.ventopay.com>. You will be redirected away from the AIS website.

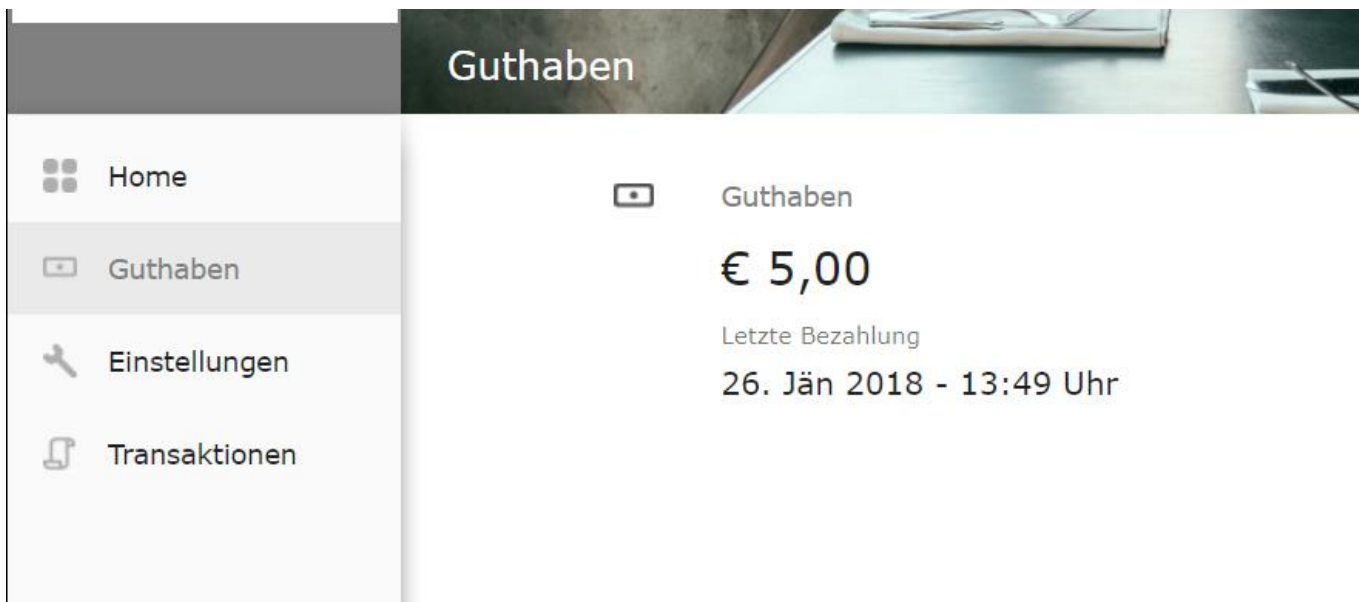

You can log in with your child's student ID as the username ("Benutzer") and as the password.

On the main page you will find the recent transactions (under "Transaktionen") and the actual balance of your child's account (under "Guthaben").

If you click on "Guthaben" you will find the actual balance of your account and the date of the last transaction.

If you click on "Transaktionen" you will find the most recent transactions.

The screenshot shows the 'svgroup' web interface. At the top right, there is a dropdown menu for card selection with the text 'Wählen Sie eine Ihrer Karten:' and the card number '506260285'. The main header area features a background image of a restaurant table with the word 'Transaktionen' overlaid. A left sidebar contains navigation options: Home, Guthaben, Einstellungen, and Transaktionen (which is highlighted). The main content area displays a list of transactions:
