

AIS Vienna Athletic Boosters

What you Need to Know

- Boosters is open during Athletic Events that are hosted or sponsored by AIS. The Boosters kitchen is located to the right of the soccer field.
- Parents of athletes are expected to volunteer for at least one Boosters Shift for each athlete they have participating in a sport during that sport's season.
- Each Boosters shift is **2** hours long, and volunteers are expected to stay for the entire shift. Sometimes things are very busy, other times they are slow. Regardless of this, the time commitment is 2 hours.
- During each 2 hour shift, a Boosters Supervisor will be in charge, making sure that all of the different "jobs" are being done by one of the parent volunteers. If you don't know what to do or how to do it, just ask the Supervisor.
- All volunteers should wear one of the red/white/blue aprons while working their shift and disposable gloves while handling food.
- Working with other parent volunteers to serve our athletes, our guests, and our community can be fun, challenging, and rewarding. Bring your smile!

What Jobs you might do during a Boosters Shift

(There are specific instructions for many of these jobs in the Boosters kitchen)

- Grill hamburgers
- Cook hotdogs
- Put hamburgers and hotdogs in buns and wrap them in foil
- Make grilled cheese sandwiches and wrap them in foil
- Make turkey or veggie wraps and wrap them in foil
- Make smoothies
- Make coffee and froth the milk
- Make popcorn
- Serve as a cashier (sell the food and take the money or vouchers)
- Make sure condiments are available (ketchup, mustard, relish)
- Wash & tear lettuce and wash & slice tomatoes for hamburgers
- Load drinks in the refrigerator
- Wash dishes, keep the countertop clean, sweep the floor, etc.
- Help set up, if you are working during the first shift of the day
- Help clean up, if you are working during the last shift of the day
